Re New York letter to Bureau, dated 9/28/62.

Referenced letter indicates that [redacted] a former member of American Nazi Party, has now resigned from American National Party.

b6  
b7C

On 10/4/62, [redacted] (RAC) said he had talked with GEORGE LINCOLN ROCKWELL, self-designated leader of American Nazi Party (ANP) in the recent past. During this conversation [redacted] name was mentioned. Source said ROCKWELL expressed surprise that [redacted] had not come back to join ANP. ROCKWELL stated [redacted] was too smart to put up with [redacted] and RALPH GRANDINETTI. ROCKWELL said, according to source, [redacted] would be accepted back into ANP if he would apologize to ROCKWELL for leaving and if he were able to convince ROCKWELL that he was now a Nazi and more devoted to the cause than ever before.

b7D

In view of ROCKWELL's present attitude toward [redacted] New York is requested to interview [redacted] and determine his informant potential as an active member of ANP. It is noted [redacted] supplied information to the Washington Field Office before he abandoned ANP, and he has supplied equally reliable information to the New York Office since his affiliation with American National Party. It is noted the Bureau has stressed the importance of establishing a source in ANP. This is the first opportunity that has arisen where

[ ] stated that ROCKWELL had written him to advise that he, ROCKWELL, would forgive [ ] for the past differences he had with him provided [ ] would apologize to ROCKWELL. [ ] stated, however, that ROCKWELL had requested him to do some anonymous writing for him. ROCKWELL stated that

[ ] stated that he had informed ROCKWELL that he would write for him and ROCKWELL promised to send [ ] a rough draft of a pamphlet which he, ROCKWELL, had composed and which he wanted [ ] to rewrite in a more professional style. [ ] stated that, to date, he has not received the rough draft material promised by ROCKWELL but attributed this to the fact that in recent months ROCKWELL has been quite busy traveling throughout the United States.

[ ] further stated that even if it were possible for him to be readmitted as a member of the ANP, he would not care to rejoin the ANP since he would have to relinquish his job as a printer in New York City. [ ] related that living conditions at ANP Headquarters in Arlington, Virginia were far from suitable and that he was not eager to return to living in such a manner. [ ] further advised that he sees no possibility at any future date of being able to regain his membership in the ANP.

With regard to the other organizations in the NYC area, [ ] stated that he knows little or nothing about the activities of the Fighting American Nationalists (FAN) except that he has met two FAN members, [ ] and [ ]. [ ] stated that neither [ ] nor [ ] were friendly to him and reasoned that this was because of his vast differences with GEORGE LINCOLN ROCKWELL, leader of the ANP.

[ ] stated that for all intents and purposes, the American National Party is "dead and out of business". He stated that this organization was originally made up of himself, [ ], RALPH GRANDINETTI and [ ]. [ ] advised that he left the American National Party because of policy disagreements he had with [ ]. He stated that [ ] is currently serving a jail sentence in Dutchess County New York after having been arrested by the New York

State Police while picketing during funeral services for the late ELEANOR ROOSEVELT at Hyde Park, New York. [ ] advised that both [ ] and GRANDINETTI, mentioned above, left the American National Party a few days after [ ] arrest.

[ ] further stated that [ ] can hardly sustain an organization which consists of one man, and stated that when he is released from jail [ ] might possibly join with [ ] of the National States Rights Party (NSRP) in Birmingham, Alabama. [ ] stated that [ ] had been offered a position with the NSRP by [ ] and felt that since the American National Party has virtually gone out of existence, [ ] would accept [ ] offer.

Concerning the Nationalist Party, 507 Fifth Avenue, New York City, [ ] stated that "LUKE DOMMER is the Nationalist Party". [ ] advised that by this he meant the Nationalist Party has no real membership, no headquarters and personal friends and acquaintances of DOMMER support him in the picketing activities of the Nationalist Party (NP). [ ] related that the extent of NP activity depends entirely on the personal whims of DOMMER and because of this NP activity is limited, sporadic and ineffective. [ ] stated that the NP is often credited with having a large membership and explained that this inaccuracy is produced by the NP joining with members of various conservative organizations in picketing Communist Party (CP) and CP front activities.

b6  
b7C

[ ] related that he, himself, is comparatively inactive, but advised that his beliefs as a white supremacist remain firm. He stated that should ROCKWELL contact him in the future, he would advise the NYO of such contact and furnish any pertinent data.

On January 23, 1963, I spoke with [redacted] Radio Station WOR TV, LO 4-8000. He made inquiry as to whether we were involved in the arrest today of [redacted] and [redacted]. He pointed out that these 2 individuals had been arrested by the NY State Police approximately 2 months ago while picketing and causing a disturbance at the funeral of Mrs. ELEANOR ROOSEVELT at Hyde Park. After serving time in jail, they were released. He stated that they were apprehended again today by the NYCPD in Queens, NY, on the basis of a Dutchess Co. warrant. He pointed out that they had been unable to find out any details in regard to this arrest and he was inquiring of this office because of the fact that these individuals might be of interest to the FBI and he wondered if we had caused or participated in the arrest.

[redacted] was advised that this office had not participated in the arrest nor had we caused the arrest of these individuals. It was further pointed out to him that any arrest made or caused to be made by this office would be based upon an authorized complaint filed in an appropriate Federal jurisdiction and in this case there was no indication of FBI handling. I pointed out that I was not familiar with the arrest and could furnish no further information in regard to it. I suggested he direct his inquiry to the NYCPD or the appropriate magistrate issuing the warrant. [redacted] stated they were interested because there was some possibility that the civil liberties of these individuals may have been jeopardized. However, he had no information to this effect. He expressed his appreciation.

These individuals are known to this office and the above information was brought to the attention of ASAC D. E. RONEY.

Re: AMERICAN NAZI PARTY, aka.  
RACIAL MATTERS

A source who has furnished verified information but whose reliability has not been established furnished the following information concerning American Nazi Party (ANP) to a Special Agent of the Federal Bureau of Investigation.

A characterization of the ANP is attached hereto.

Source advised that one [redacted] who has been known as an associate of GEORGE LINCOLN ROCKWELL, self admitted leader of the ANP, was considered by source as a "complete psychotic". Source stated that sometime ago [redacted] had proposed to arrange a meeting at the Alexandria, Virginia, City Recreation Center for about 200 people. [redacted] Arlington, Virginia, was to appear as a speaker and in the course of [redacted] address, ROCKWELL was to jump up from the audience. Source stated that this plan was discussed at ANP Headquarters and a decision made to have nothing to do with the meeting. (It is noted that [redacted] obtained permission to hold a meeting at the Recreation Center on this date. The Alexandria, Virginia, Police Department covered the meeting and on February 8, 1963, advised that the only persons who appeared at the meeting were a white male, probably [redacted] a white female, probably [redacted] daughter and a representative of the Alexandria, Virginia, Police Department.)

b6  
b7c

Re: AMERICAN NAZI PARTY, aka.

Source advised that (FNU) [redacted] (PH) [redacted] [redacted] had been staying at ANP Headquarters for about two weeks and had reportedly stated that the Immigration and Naturalization Service (INS) had been interested in his case.

Source stated that [redacted] who has been known as an associate in the American National Party in New York City was coming to Arlington, Virginia, in the near future. Source stated that [redacted] had a girl friend, [redacted] white female, age 18 or 19, address [redacted] Chesapeake and Potomac Telephone Company, Falls Church, Virginia. According to Source [redacted] planned to see [redacted] and also planned to attempt to get back in the ANP. Source stated that [redacted] would receive a cold reception from ROCKWELL in which event [redacted] would try to disrupt the ANP.

b6  
b7C

Source stated that [redacted] was to be released from jail in Philadelphia, Pennsylvania, on February 8, 1963. According to source, arrangements were made with a bondsman named [redacted] whereby the Cadillac used by ROCKWELL would be put up as collateral for [redacted] bail. Source stated that whereas it was generally reported that the Cadillac was the property of [redacted] it is actually owned by ROCKWELL, the money having been advanced by [redacted]

Source advised that a member of U. S. Marine Corps [redacted] Ledge Road, Niantic, Connecticut, in June or July, 1962, had offered ROCKWELL \$900 to be used in ANP activities. [redacted] reportedly had accumulated this money in U. S. savings bonds. The original offer, although made in July or June of 1962, was not immediately accepted but a new printing press at ANP Headquarters, Arlington, Virginia, is used to supplement the work of the old press and ROCKWELL boasts that the new press was a gift from a Camp LeJeune marine.

According to source, [redacted] has a brother in the U. S. Marine Corps, name unknown, who, although he has visited ANP Headquarters, is not sympathetic to the ANP.

Source stated that [redacted] (PH) had been living with [redacted] at Arlington, Virginia, but had recently left to live in Maryland. Concerning [redacted] subject stated that he is thoroughly disgusted with the ANP

Re: AMERICAN NAZI PARTY, aka.

and is attempting to work deal with his father-in-law to open a bar and grill in Miami, Florida.

Source related that [redacted] was in contact with LUKE DOMMER in New York at which time DOMMER was reported to have stated that he is "dropping the dock". Source stated that this referred to one [redacted] who apparently was active with DOMMER in the Nationalist Party, New York, New York.

b6  
b7c

A characterization of the American National Party is attached hereto.

On September 20, 1962, the State Corporation Commission of Virginia issued a charter for a "George Lincoln Rockwell Party." The second source mentioned above advised on September 24, 1962, that Rockwell will continue to carry on his activities, using the name American Nazi Party, and he obtained the charter for the George Lincoln Rockwell Party merely to be able to do business as a corporation.

DIRECTOR, FBI (157-537)

SAC, NEW YORK (157-555)

AMERICAN NATIONAL PARTY  
RACIAL MATTERS  
(OO: NEW YORK)

ReBuairtel to New York, 3/14/63.

A review has been made of the February, 1963, issue of "Mill" magazine published by captioned organization, and it has been determined that the only possible way that [ ] could have ascertained that [ ] was furnishing information to SA [ ] was that [ ] himself had so informed [ ] sometime prior to 9/20/62, when [ ] stated he had resigned from captioned party because of disagreements he had had with [ ].

It is noted that [ ] had once been a member of the American Nazi Party (ANP) in Arlington, Virginia. However, in the early part of November, 1961, he and [ ] who had also been a member of the ANP, broke away from the ANP and came to New York City where they organized captioned party.

Prior to coming to New York City, and while still a member of the ANP, it is noted that [ ] had been furnishing information to SAs of the NYO.

NYO airtel to the Bureau, dated 11/13/61, captioned, "AMERICAN NAZI PARTY; RACIAL MATTERS", contained a letter from [ ] former ANP [ ] to SAs [ ] and LAURENCE E. DANBON, in which [ ] furnished his local New York address as well as a statement of his willingness to furnish information to the NYO. This airtel suggested that NYO contact [ ] with a view toward eventually making him a source of information regarding Racial Matters.

157-555-120

NY 157-555

Consequently, [ ] was contacted by SA [ ] of the NYO on 11/27/61, and voluntarily furnished information concerning his activities with the ANP and captioned organization. [ ] also made available information he possessed concerning other organizations such as Fighting American Nationalists (FAN) and the Nationalist Party (NP), 507 5th Avenue, New York City.

Since that first contact, [ ] has voluntarily furnished NYO with information concerning captioned party and also on a few occasions was contacted relative to investigative requests from other offices. [ ] is utilized as the source in the characterization of captioned party and a review made of the information he has in the past furnished to the NYO, does not indicate any instance in which the information he furnished could be labeled false.

b6  
b7c

Because of [ ] recent inactivity and lack of contact with the ANP, captioned party, and similar organizations, whatever information he did furnish was not for the most part current information and therefore could be generally substantiated with information previously furnished by other sources.

With regard to the paragraphs numbered 1 through 4, on pages 3 and 4, of the aforementioned copy of "Kill" magazine, which [ ] submits as evidence of [ ] lies, the following is noted:

Paragraph 1 must refer to information furnished by [ ] to WFO, which was set forth in WFO teletype to the Bureau and New York, dated 10/23/61, captioned, "AMERICAN NAZI PARTY; RACIAL MATTERS."

Paragraph #2 must refer to the results of a contact of [ ] set forth in New York letter to Bureau, dated 4/10/62, captioned, "INTERNATIONAL ACTIVITIES OF NEO - NAZI and NEO - FASCIST ORGANIZATIONS; RACIAL MATTERS." This contact of [ ] was made at the request of WFO who had asked NYO to display a photograph of one, [ ] to [ ] for identification purposes.

NY 157-555

Concerning paragraph #3 such a statement was never made by [ ] at any time while being contacted by the NYO.

[ ] Paragraph #4 obviously refers to activities of prior to any contact he had had with the NYO.

On 9/20/62, [ ] advised that he had resigned from the American National Party because of disagreements he had with [ ] and apparently the aforementioned copy of "Kill" magazine is [ ] method of discrediting [ ] because of past differences he has had with [ ].

It is noted that [ ] was under consideration by the NYO for development as a source of information concerning Racial Matters. Even though he was unable to reactivate himself in any racial organizations, it was felt that he would be in a position to furnish such information as the structural make-up of these organizations because of his past associations with these organizations. It is further noted that [ ] has been in correspondence with GEORGE LINCOLN ROCKWELL, leader of the ANP, and in fact, at the request of ROCKWELL, [ ] recently did some rewriting of a handbook which ROCKWELL intended to publish at some future date.

ROCKWELL, according to [ ] had informed [ ] that he could never gain re-entry into the ANP but that he, ROCKWELL, would appreciate [ ] assistance which he might call on from time to time.

[ ] informed NYO that he would voluntarily furnish any information concerning his contacts with ROCKWELL to the NYO. With this in mind, as well as the fact that [ ] could furnish information from time to time regarding organizations as the ANP, a PCI (RAC) file was opened on [ ] in January, 1963.

b6  
b7C

NY 157-555

[ ] never received any remuneration for any services rendered and voluntarily contacted NYO on several occasions with information which was of no great consequence, other than that he had had some contact with the ANP.

b6  
b7C

In view of the article by [ ] which appeared in the February, 1963, issue of "Kill" magazine, NYO is closing the PCI (RAC) file maintained on [ ]. However, NYO will continue to accept whatever information [ ] may wish to voluntarily furnish the NYO.

RE: AMERICAN NAZI PARTY

On March 18, 1963, a source which has furnished verified information, but with whom contact has been insufficient to establish reliability, advised that [redacted] representing the American Nazi Party (ANP) recently attempted to gain publicity by staging a fifty mile run in front of the White House. He was said to have worn a "T shirt" with a swastika sewn on it and also letters sewn on stating "50 Mile Run for the White Race". Source stated that [redacted] and the ANP were disappointed that no publicity was gained. Source further stated that present plans call for [redacted] to start on April 1, 1963, from ANP Headquarters, Arlington, Virginia, and run to Richmond, Virginia. He expects to arrive at Richmond on April 3, 1963, and will carry with him a new application for a charter for the Party. Source stated that he believes the application will be made in the name of the ANP rather than in the name of the George Lincoln Rockwell Party. Source stated that [redacted] will be met in Richmond by a car to carry him back to Arlington, Virginia, and consideration is being given to have a representation from ANP greet him on his arrival in Richmond.

A characterization of the ANP is attached hereto.

Source further advised that [redacted] has been designated to be in charge of the internal security of the Party.

RE: AMERICAN NAZI PARTY

Source advised that [redacted] of the ANP is employed in Washington, D.C. [redacted]  
[redacted]

According to the Source, [redacted] visited ANP Headquarters, Arlington, Virginia, on March 9, 1963, and discussed with George Lincoln Rockwell the possibility of his reinstatement in ANP. Source stated that Rockwell cited certain conditions prerequisite to [redacted] reinstatement, but it is not currently known if [redacted] agreed to such conditions.

b6  
b7C

The Source stated that [redacted] of the ANP had been visiting in Chicago for the past two weeks and the date of his expected return to Arlington, Virginia, is presently unknown. Source was unable to state the purpose of [redacted] visit to Chicago.

The Source stated that an ANP picket was to be held this date at the National Association for the Advancement of Colored People, Washington, D.C., and that [redacted] was to be in charge. The purpose of the picketing was said to be the applauding of the action by a patrolman of the Metropolitan Police Department in shooting a Negro purse snatcher. Other placards were to concern themselves with the problems of a Jewish apartment house project owner who is protesting efforts to integrate the project.

The Source further stated that the Los Angeles Office of the ANP had been somewhat inactive, but that [redacted] is currently the leader there and will attempt to revitalize the unit.

[redacted] was said to be taking on duties as assistant to [redacted], and he is expected to continue in the foreseeable future in that capacity.

Source further indicated that in spite of the difficulties faced in setting up headquarters in Miami, Florida, [redacted] and [redacted] will remain there.

Synopsis:

[REDACTED] and [REDACTED], both members of American National Party, arrested at Hyde Park, NY, while picketing burial services for ELEANOR ROOSEVELT 11/13/62. [REDACTED] and [REDACTED] sentenced to 30 days in jail 1/23/63 and sentence suspended on both.

- C -

NY 157-555

DETAILS:

I. DISSOLUTION OF THE AMERICAN NATIONAL PARTY

On December 5, 1962, NY T-1 stated that for all intents and purposes, the American National Party is "dead and out of business". He stated that the American National Party was made up originally of [redacted] RALPH GRANDIETTI and [redacted].

b6  
b7c

American Nazi Party

A characterization of the American National Party and the/ (ANP) is contained in the Appendix section of this report.

However, NY T-1 stated [redacted] left the American National Party because of policy disagreements he had with [redacted] and that [redacted] and GRANDIETTI, mentioned above, left the American National Party a few days after [redacted] was arrested by New York State Police while picketing funeral services for ELEANOR ROOSEVELT at Hyde Park, New York.

NY T-1 further stated that [redacted] could hardly sustain an organization which consists of only one man.

On January 16, 1963, NY T-1, previously mentioned, made available the November, 1962 issue of "Kill! Magazine," published and distributed by the American National Party, Post Office Box 191, New York 26, New York. In this issue, it was reported that because of the imprisonment of Party leader [redacted] for demonstrating at funeral services for ELEANOR ROOSEVELT, it was necessary to suspend publication of "Kill! Magazine," and it was not known when or if the publication could ever be resumed.

On March 7, 1963, NY T-2 made available the February, 1963 issue of "Kill! Magazine" which on page 6 carries an article by [redacted] entitled "The American National Party is Dissolved". In this article, [redacted] states that he was misled through the influence of [redacted] mentioned above, to leave the American Nazi Party and form the American National Party. [redacted] stated that now he realizes the mistake he made and will in the future support the aims of the American Nazi Party, which he now realizes is the only true movement. He further indicated that he will continue publication of "Kill! Magazine" and continue to use Post Office Box 191, New York 26, New York, as a mailing address.

NY 157-555

On March 13, 1963, NY T-2 advised that [redacted] visited ANP Headquarters in Arlington, Virginia on March 9, 1963, and discussed with GEORGE LINCOLN ROCKWELL, ANP leader, the possibility of reinstatement in the ANP. Source stated that ROCKWELL cited certain conditions for [redacted] reinstatement but was unable to state if [redacted] agreed to such conditions.

b6  
b7c

On April 3, 1963, Detective [redacted] Bureau of Special Services, New York City Police Department (ESS, NYCPD) who is familiar with activities of the American National Party and similar organizations operating in the New York City area, advised that the American National Party is no longer in existence. Detective [redacted] advised, however, that Post Office Box 101, Gracie Station, New York 28, New York, is apparently still leased by [redacted] who had been [redacted] of the now defunct American National Party.

## II. ACTIVITIES OF THE AMERICAN NATIONAL PARTY

On October 29, 1962, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that on Saturday evening, October 27, 1962, from 8:30 p.m. to 11:40 p.m., a meeting of the National Renaissance Party (NRP) was held in the South Ballroom, Hotel Vanderbilt, 34th Street and Park Avenue, New York City, with 40 persons in attendance.

Included in the speakers who addressed this NRP meeting was [redacted] of the American National Party and his speech consisted of an attack on the Jews, blaming them for all the evils existing in the world today.

On November 13, 1962, Detective [redacted] ESS, NYCPD, advised that at 4:00 p.m. on Saturday, November 10, 1962, [redacted] and [redacted] both members of the American National Party, appeared outside the Vanderbilt Estate, Route 2, Hyde Park New York, adjacent to the burial site for ELEANOR ROOSEVELT. [redacted] and [redacted] who wore white shirts with open collars, black trousers and black armbands, bearing a white cross within a circle, displayed signs reading "Good Riddance to Red Eleanor" and "Ship Her Smelly Corpse Back to Moscow".

Detective [redacted] stated that [redacted] and [redacted] were immediately arrested by members of the New York State Police under Section 42 of the Penal Law and charged with disorderly conduct and committing an outrage to public decency.

NY 157-555

On November 10, 1962, [ ] and [ ] pleaded guilty before Justice of the Peace H. H. SILVERMALE, Hyde Park, New York, and were sentenced to 90 days in jail and fined \$100. They were remanded to Dutchess County Jail, Dutchess County, New York.

On January 3, 1963, Detective [ ] BSS, NYCPD, advised that on January 3, 1963, [ ] and [ ] appeared before Judge SCHWARTZ, County Courthouse, Dutchess County, New York, with their attorney, [ ] who had also represented the ANP in legal actions in New York City.

b6  
b7c

On January 3, 1963, Judge SCHWARTZ released [ ] and [ ] on a writ of habeas corpus stating the information on which their arrest was based was faulty even though the action for their arrest was proper.

On January 24, 1963, Detective [ ] mentioned above, advised that [ ] and [ ] had been rearrested by New York State Police on January 23, 1963, and brought before Judge DIEHLE, Dutchess County Court, Dutchess County, New York, charged with violation of Article 2, Section 42 of the Penal Law in that they committed an outrage to public decency at Hyde Park, New York on November 10, 1962, during funeral services for the late ELEANOR ROOSEVELT.

On January 23, 1963, Judge DIEHLE sentenced [ ] and [ ] to 30 days in jail and then suspended sentence on both.

NY 157-555

APPENDIX

NATIONAL RENAISSANCE PARTY

On May 9, 1962, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

ReBulet to NY, 4/18/63.

Submitted herewith for Bureau approval is the following amended characterization of captioned party:

AMERICAN NATIONAL PARTY

On August 1, 1962, a source advised that the American National Party was formed in New York City on November 24, 1961, and was then composed of [ ] and RALPH GRANDINETTI, all former members of the American Nazi Party (ANP), who left the ANP because of policy disagreements with GEORGE LINCOLN ROCKWELL, ANP leader.

The source stated that the original purpose behind the formation of the American National Party was to be openly anti-communist and attract other anti-communists who could be gradually converted to anti-semites, thereby expressing the true sympathies of the American National Party.

Dear [Redacted]:

Just received and read the latest issue of the "Thunderbolt". We are very happy to see that [Redacted] is working with you. You will find that he is an extremely hard worker. He will prove to be a valuable asset to your organization.

I just thought of a wonderful idea in respect to holding a right-wing convention. When the NSRP and other cooperating organizations have procured an adequate number of signatures for the impeachment of John F. Kennedy, I think that it would be a very good idea for representatives of these organizations to meet in the nation's capital, Washington D.C., on a weekend in the summer, and accomplish the following:

a) A public meeting at a hotel or other point, to be preceded by an ad in the papers and mass literature distribution. It should feature speakers who represent different groups gathering to support the impeachment of Kennedy. b) The following morning the representatives should march to Congress and file the petition with the Congressional Clerk. c) After this, the whole group should rendezvous at the hotel for a picket in front of the White House, and a march from the White House to famed Judiciary Park to hold an open-air rally in protest to the Kennedy Administration, coupled with an explanation of the reasons for the Convention, and what it has accomplished over the weekend towards the impeachment of Kennedy.

The groups should march on the sidewalks (and this is absolutely legal), carrying signs and banners, to Judiciary Square for the open-air speech.

This will definitely be a first! Could you imagine the consternation of the liberals, beatniks, and leftist lunatics in Washington, when really radical right-wing groups converge on the nation's capital to demand and take steps towards the impeachment of President Kennedy! I am more than positive that we will receive publicity. They cannot fail to mention us. Most significantly, it will show that the right wing is through with petty squabbles and internal conflict, and that it is ready to march arm in arm to accomplish an objective.

Also, I am quite sure that <sup>we</sup> will encounter a mutual "friend", or should I say... "enemy". Rockwell will indeed attempt to cash in on <sup>our</sup> ~~our~~ <sup>orthwart</sup> ~~our~~ actions. But this will be advantageous to us. Firstly, it will show that there is conflict between Rockwell and other right-wing groups, and that he stands alone and opposed to. Also, wherever he goes, there is usually publicity, and we will get mentioned if he tries to cash in. But the publicity will show that we are separate entities. This might afford ~~us~~ an opportunity for us to blast him publicly, if we care to do so. It will also show other right-wing groups that Rockwell is insincere because he attacks people on his own side of the fence. In other words, it will sort of isolate him even more than he is now. In fact, if he is smart, he will just ignore us. But, nevertheless, I think it will be a great thing for us to converge on D.C.

Even twenty of us, at a bare minimum, will make an impressive showing, because our main purpose will be to present to Congress the petition for the impeachment of Kennedy. We can call ourselves something like: "American Right-Wing Groups to Impeach Kennedy". Or: "National Committee of Right-Wing Groups to Impeach Kennedy". We should stress that the groups are merely being represented by one or more individuals to make up for the small number, because I am sure that on account of distance, money, etc., it will be difficult to get a lot of people down for this convention.

My men and myself can bring down [ ] and others from the New York area, and this should add to the number. Please let me know what you think of this idea. I am sure it will be a first, and I am positive that unless we act before too long, someone else like Gerald L.K. Smith will jump the gun on us.

DATE: 4/10/63

FROM : SAC, ATLANTA (105-763)

SUBJECT: AMERICAN NATIONAL PARTY  
RACIAL MATTERS

On 4/2/63, Captain [redacted] Atlanta PD, advised that [redacted] and [redacted] both of whom admitted that they are officers of the National States Rights Party (NSRP) were arrested in Atlanta, Ga., on a charge of larceny. Captain [redacted] stated that these arrests occurred on 3/31/63 and that on 4/1/63 he obtained a search warrant and searched the apartment occupied by [redacted] and [redacted] at [redacted]. He said this apartment contained numerous records of the NSRP and the National White Americans Party (NWAP). He advised that he made Xerox copies of many of the records.

Captain [redacted] furnished copies made by him to SA CARL E. CLAIBORNE on 4/2/63.

The September, 1963, issue of "The Thunderbolt," which is self-described as the official organ of the NSRP, reflected that the NWAP had merged into the NSRP.

A thumbnail sketch of the NSRP is included in SAC Letter 63-4.

Enclosed herewith for the information of the New York Office is a copy of a letter dated 4/26/62, from [redacted] of the American National Party to [redacted] of the NSRP.

The letter suggests a right-wing convention for Washington, D. C., in the Summer of 1962.

No copy of the enclosed letter is being retained by the Atlanta Office.

# New York Committee to Defend Floyd Simpson

CORRESPONDENCE ADDRESS:

POST OFFICE BOX 191 • NEW YORK 28, N. Y.

IN AFFILIATION WITH THE NATIONAL COMMITTEE OF RIGHT-WINGERS TO AID VICTIMS OF POLITICAL PERSECUTION

FOR IMMEDIATE RELEASE

Dear Friend:

This letter is being sent to you in the hope that you can contribute to saving the life of a fellow white man.

FLOYD SIMPSON, age 40, white, and the father of six children was charged by police for the ALLEGED murder of William Moore, a psycho-agitator who marched into Alabama carrying provocative race-mixing signs.

## THE PSYCHO-MARTYR

William Moore was a rabid race-mixing agitator. In 1953 he was committed to Binghamton State Hospital as a schizophrenic! He spent nearly two years there. Later, he married a divorcee with three children. He deserted his family to carry on his crusade against white people. Moore's mental illness was of a type by which he could easily be led into giving his life for some irrational cause. Moore wanted to become a sort of "martyr" as his writings show! The possibility that due to Moore's schizophrenia, he voluntarily allowed himself to be shot by his own comrades, believing he was giving his best to the integration cause, is not a remote possibility. Moore's death greatly benefited the race-mixer's cause. It gave them a handy martyr and a ready-made excuse to begin mass demonstrations with a sympathetic public behind them.

Of course, this does not alter the fact that Floyd Simpson, a decent American, a faithful husband, and a loyal father of six children is being prosecuted and persecuted to satisfy the blood thirst of leftist race-mixers. The press and other news media have already tried, convicted and sentenced Floyd Simpson. Here is your chance to stand up and do something! It doesn't take much to realize what would be going on right now if Floyd Simpson were a black man instead of a white man. The reds, leftists, liberals and sick-sister race-mixers would be howling their heads off! Lets show them that we have what it takes to come to the defense of one of our own people.

The New York Committee to Defend Floyd Simpson was formed to show Floyd Simpson that he is not alone! Send encouragement and money c/o Gadsden, Ala.

The highlight of the evening came when Miss FLYNN spoke, at which time she was accorded a three or four minute standing ovation. Miss FLYNN said there were many people who were extremely kind to her while in prison, but she would not call names because she knew the FBI had spies in the audience.

She said if she had to do it all over again she would without any regret. She also mentioned that she is starting immediately to work on her third novel, but in order to do this there must be a market for her second novel and she had no doubt that people of America were behind her.

[redacted] Belmont Plaza Hotel, Lexington Avenue at 49th Street, New York City, advised that sometime during March, 1963, a [redacted] of International Publishers, Park Avenue, New York City, contracted to rent the Baroque Room at the hotel for the evening of March 29, 1963. The purpose of the scheduled affair was in the form of a reception for ELIZABETH GURLEY FLYNN.

b6  
b7c

Early during the week of March 29, 1963, the hotel received a telephone call from the 17th Precinct, New York City Police Department, inquiring as to the nature of the affair to be held at the hotel on March 29, 1963. The Police advised that they had received a request for a permit to picket the hotel from the American National Party for the evening of March 29, 1963. Upon bringing this information to the attention of the hotel management, it was decided that the hotel would cancel out the affair and so advised International Publishers by telegram on March 28, 1963. During the morning of March 29, 1963, International Publishers applied for an injunction in the New York City Supreme Court. Justice Klein reserved decision, but upon bringing the matter to the Court of Appeals, the latter court ruled that since it would be very difficult to obtain another site on such short notice, an injunction was being issued making the hotel fulfill its part of the contract.

Accordingly, the affair was held as scheduled from approximately 7:30 p.m. to 11:30 p.m. on March 29, 1963, and was attended by approximately 400 "old and sickly looking" people. The hotel was paid \$150 for the room, \$150 for refreshments and \$30 for tips, et cetera, for a total of \$330, which was paid in the form of a check from International Publishers written on an account at the Amalgamated Bank, Union Square, New York City. [redacted] said that during the evening, he observed approximately 10-15 people carrying signs picketing the entrance to the hotel.
